RECREATION COMMISSION

Admission Charge at Northwood Lake

Because of the cost to the tax payers for maintaining the public beaches, the members of the Northwood Recreation Commission feel that the time has come when it is in the best interests of the town to charge admission to the beach at Northwood Lake. Please bear in mind that there are three other beaches maintained by the town, and free to the public.

GEORGE K. RICHARDSON,
Chairman

We would suggest that persons desiring to leave a sum of money, the income of which is to be used for the care of cemetery lots, should deposit at least $200.00.

At the present rate of interest, wherever possible, those funds the principal of which is $100.00 or less, should be increased.

REPORT OF NORTHWOOD LIBRARIES

Miss Clement, librarian at the Bryant Memorial Library, Northwood Narrows reports that almost 2000 books have been loaned this year. Shelves have been installed on either side of the fireplace adding to the attractiveness of the reading room as well as to its efficiency. A good start has been made in arranging the books according to classification with help from Miss Gardner of the Chesley Memorial Library and a group of Tri-Hy-Y girls. Many library users comment on the pleasant room and enjoy reading magazines and text books there. Miss Clement says there are too many books lost because of carelessness in returning them. Local residents are more at fault than summer residents.

The library at the elementary school is open every Wednesday afternoon and each child from the second through the eighth grade is given the opportunity to borrow books. An effort is made to have books available for required book reports as well as books for general enjoyment.

The driveway at Chesley Memorial Library has been tarred and shade curtains ordered for the windows.

Books have been presented to the libraries from the following residents and summer visitors:

Advent Christian Church
Carla Burklund
Gwendolyn Caverly
Dayton Henson, Durham
Leslie Clark
Priscilla Colony, Bow Lake
Dorothy Pease
Evelyn Price
Theresa Davidson
Ridge Baptist Sunday School
Edwin Theller
Dana Woodman
Helen Quimby
Alfred Smith
Donald West
Gladys Gardner
Mary Bartick
Bertha Trickey
Barbara Guptill, Concord
Clayton Holmes
Dr. and Mrs. Klinger, Rochester
Thomas Lalish, Chicago
Mrs. William Mucher, Bow Lake
Mrs. George Phipps
Parent-Teacher Association

We are very appreciative of the thoughtfulness of these library friends — for their book gifts, money gifts and kind words.

Miss Gardner calls your attention to the Memorial Bookshelves maintained at the libraries and suggests that you give books as a thoughtful memorial to friends and loved ones. Special bookplates are provided for these gift books.

The anticipated budget for Northwood Libraries for 1965 amounts to $1,800.00 as follows:

Public Service	$100.00
Fuel	350.00
Salaries	700.00
Insurance	100.00
Maintenance	50.00
Books, Magazines, Stationery and Supplies	500.00

REPORT OF PRINCIPAL

To the Superintendent of Schools:

I would like to take this opportunity to express a debt of gratitude to the parents of Northwood, and to the teachers of the School for their great effort and cooperation.

I would like to give special thanks to Mrs. Burbidge, head cook and Mrs. Chase, assistant cook for the fine job they have done operating the school lunch.

As in the past, a science fair is proposed for the month of April.

Plans are being made, with the cooperation of the University of New Hampshire, to institute a physical education program for all the students.

This year we have instruction in vocal music under the direction of Mrs. Muriel Ramsdell, in addition to our instrumental department under Mr. Martell.

A portion of the play area in back of the school has been paved. This has served a dual purpose, it has helped to protect the tiled floors, and provided a better play area for the children.

In conclusion, I should like to express my appreciation for the cooperation given me during the year by the parents, school board, teachers and pupils of Northwood.

Respectfully submitted,

JOHN D. SNODGRASS,
Principal.

One change in the school staff took place this year as Mr. J. Donald Snodgrass replaced Mr. Percy Gardner as Teaching-Principal of the school. Mr. Snodgrass has had successful teaching experience in both elementary and secondary schools as well as having been a Teaching-Principal in Epsom.

The school program is functioning efficiently under the able administration of Principal Snodgrass and the continuity of the educational program again benefited by the low teacher turnover.

This year, supervisory conferences have been held each month with the principals and assistant superintendent. These meetings enable the principal to share teaching techniques and to learn from each other. The benefit of these conferences can be seen as each principal adopts and implements suggestions to his own school program.

The projected enrollment indicates a substantial increase of pupils in grades five, six, seven and eight, and it is recommended that an additional teacher be engaged to teach in this area. Sound education cannot be achieved by having two grades in a classroom which, in effect, doubles the teacher's responsibilty. By providing an addi-

tional teacher, single grades in each room can be achieved which will give all the pupils an equal educational opportunity.

In conclusion, we would like to express our appreciation for the cooperation given to us during the year by the citizens, school board, faculty and pupils of Northwood.

REPORT OF THE SCHOOL NURSE

Town of Northwood

To the Superintendent of Schools:

The school year of 1963-64 saw many children absent because of their having German measles and/or whooping cough. However, with these exceptions, I feel that the Northwood Elementary School had a very good health report.

As part of the school health service, a routine health inspection of all students was made. The parents were informed whenever defects were found, and practically all of these children were seen or treated by their own physicians. The success of the health program depends upon such excellent cooperation as the parents of Northwood have shown.

The following summary lists the tests and examinations done by the school nurse, the defects found, the number of corrected cases, as well as the number of cases of communicable diseases:

Tests and Examinations:	Defects:	Corrected Cases:
Vision Tests: 184	Vision: 28	Vision: 27
Hearing Tests: 155	Hearing: 3	Hearing: 3 (under treatment)
Heights and Weights: 181	Teeth: 91	Teeth: 92
Teeth and Tonsils: 181	Enlarged Tonsils: 4	Speech: 1 receiving therapy
Inspections: 379	Speech: 2	

Communicable Diseases:

Rheumatic fever: 1	Pediculosis: 3
German measles: 1	Impetigo: 2
Whooping Cough: 33	Infectious hepatitis: 1
Mumps: 2	

A clinic for Tuberculosis Patch Testing was held on January 13, 1964 at which time 173 students and 9 adults (teachers and cooks) were tested. There was 1 positive reaction and this individual was x-rayed.

Three pupils were referred to the New Hampshire Sight Conservation Program for eye examinations. Glasses were provided for two of these children.

One child was referred to the New Hampshire Crippled Children's Service for evaluation of a hearing loss, and from there was sent to Boston for further testing.

The annual pre-school clinic was held in May and was attended by 24 children. Each child was given a routine health inspection by the nurse. Parents were then informed of any defect noted at this time.

During the year 32 home visits were made.

I would like to take this opportunity to thank Mr. Martineau, Mr. Smith, the School Board, teachers, parents and students for their constant cooperation.

Respectfully submitted,

DOROTHY Y. WELLS, R.N.,
School Nurse.
